

Group Work: Developing Your Thesis & Outline

1. Discuss the thesis of your Process Analysis paper. Have you clearly stated it? Do you have supporting details?
2. What has your experience been with writing the introduction/conclusion? Are you waiting to write them as I suggested? What are the results of what you've done so far?
3. Which of the details about developing your thesis/introduction/etc we discussed in class has affected your writing?
4. What is your current outlining strategy?
