

The Process Analysis Paper

Your first essay this summer is going to be about process analysis. For this essay, describe a process using either the directional or informational process analysis strategy. Your essay will need to be at least 750 words with an introductory paragraph, a minimum of three paragraphs in the body of the essay, and a conclusion.

Make sure your paper is typed, titled, with page numbers inserted in the top right corner (lastname_pagenumber), and double spaced.

If you are submitting a rough draft to me, please submit your draft to my email by May 24th. I will not examine late drafts! Your papers will be due to my email (professorwend@gmail.com) by 11:59pm on Friday May28th.
